You know it's been a busy, hectic time when the season opening of Santa's Village AZoosment Park sails right by me. They opened for the 2013 season on Mother's Day, May 12.

In addition to the petting zoo animals, rides, and shows available last year, there will be the addition of The Wildcat Roller Coaster and Ding 'em Dodge 'em Bumper Cars.

Santa's Village AZoosment Park offers Early Season Frugal Fridays (\$11 admission) on May 24 and May 31 from 10:00 am-2:00 pm (limited rides only), a Caribou Package which includes admission and Caribou Cash that can be used in the park, and Season Passes.
